

# I HERED

## CONSERVE ENERGY

- Turn off the lights when I leave the room.
- Unplug power management when not in use.
- Set the thermostat at 68°F.
- Turn off the A/C when I leave the room.
- Use the Energy Star or similar energy efficient light bulbs.

## SAVE WATER

- Take 5-10 minute showers.
- Close water tap while brushing teeth.
- Turn watering equipment and dishwashers off when not in use.
- Use the front load/High efficiency washer.
- Report leaks quickly and before they become a problem.
- At home, install low flow toilets, in the shower, install low flow showerheads, in the kitchen, install low flow faucets.

## REDUCE WASTE

- Reduce, reuse, recycle.
- Print only when necessary.
- Print and copy on both sides of paper.
- Use reusable bags, trays, bottles, and containers.
- Use products made from recycled materials.
- Minimize the use of disposable products.
- Recycle only what is allowed.
- Minimize unnecessary waste.

## TRAVEL SUSTAINABILITY

- Walk, bike, or take a transit whenever possible.
- Use mass transit or carpool whenever possible.
- Use the stairs instead of the elevator when possible.
- Use a fuel efficient vehicle.

## GET ENGAGED

- Participate in UW's green initiatives.
- Join sustainability working groups.
- Share sustainability goals and resources.
